BIG on innovation short on investment

Confidential R&D Project and Technology Clinics

CONNECT

The Enterprise Europe Network holds **monthly free R&D Clinics** across the Region to help you access funding from Regional, National and European sources, exploit business opportunities and find partners for collaboration.

INNOVATE

We provide advice and support (in a confidential manner) to help develop your project ideas and secure funding such as Technology Strategy Board, Carbon Trust and Framework Programme Seven amongst others.

GROW

For details of our next Clinic please contact **Gillian Kears** or **Arun Harish** on:
